Second Teachers Training on Activity Based Teaching of Science at IUCAA

Teachers Training for Primary/Sec. School Teachers organized by GREAT Foundation for Trent Supported Schools (1 July 16)

Teachers' views on teachers' training on activity based teaching of science at IUCAA on 1 July 16

Shirke Rangnath Laxman (PMC's Netaji Subhashchandra Bose Vidyalaya): "The activity based teaching will help students learn concepts more effectively. We need more workshops like this on activity based teaching."

Mrs. Bhapkar Archana Girish (Dnyanprabhodini Madhya V Kanishta Mahavidyalaya) "We learnt a lot from this activity based training. The students will enjoy learning."

Jadhav Sunil Baburao (Gagangiri Madhyamik Vidyalaya) "We learnt to make things using trash material, it will help children in learning the concepts more easily."

Teachers views on teachers training on use of science models and activity kits held on 22 July 16

Nilima Prakash Gaikwad (PMC's Dr. Nanasaheb Parulekar Vidyalaya) "Activity based teaching helps us to teach difficult topics easily to students by actually doing the activities."

Sunita Ashok Mandale (PCB's Ghorpadi Village High School) "The activity based teaching leads to stress free learning which helps students in learning in a very simple way and also help students to grasp faster."

Smt. Adsul D.S. (Shree Sant Ghadge Maharaj Vidyalaya) "We learnt about a large number of science models which will help us in activity based teaching."

Teachers Training on How to Use Science Lab Models

Teachers Training for Trent Supported Secondary School Teachers by GREAT Foundation (22 July 16)
