

# Happy Diwali

## Project Udaan

Group task: Students solving logical reasoning paper in groups.

Mr. Auti clearing doubts of a student while others are trying to solve it on their own.

Welcome!

Mr. Adam Cross from Global Giving came from London to visit our Project Udaan site to understand more about our project. He was very glad to talk our students and shared his own life experience with them. Our trustee Mr. Ravi Baviskar also joined us and motivated students to focus on their studies.

Group photo of students with Mr. Ravi Baviskar and Mr. Adam Cross

Mr. Auti showing students how to find the direction of induce current using "Fleming's Right hand thumb rule.

Mrs. Thakkar explaining how to draw a histogram curve using the given data.

## Project STEM

Teachers attending GClass training in Bhekarai Mata School.

Mr. Suraj Kamble demonstrating the use of GClass app to teachers.

Mrs. Patankar explaining the use of pen drive to show videos using the GClass app.

Principal of Ramraja School Mr. Arshulkar became the first volunteer to try his hand on GClass app.

95G PMC School Teacher teaching the students using GClass app.

Project STEM started in Samarth School. Students focus on understanding the concepts visually.

**Education is the most powerful weapon you can use to change the world**
